TENCH VINEYARD CABERNET SAUVIGNON

Oakville, Napa Valley

Our flagship Cabernet Sauvignon hails from the Tench Vineyard located in the Oakville AVA. The signature rocky and iron-rich soils of the eastern bench of the Oakville provide the perfect growing conditions for Cabernet Sauvignon.

Our 2023 Tench Cabernet Sauvignon displays aromas of blue and blackberries, currants, graphite, crushed rock, and a hint of espresso. These complex aromatics carry through to the palate, joined by subtle notes of dried herbs. Ripe, polished tannins wrap the mid-palate, leading to a long, seamless finish that lingers beautifully. Aged in 100% new French oak, this commanding wine will continue to age and evolve to perfection over the next two decades.

100 Points, IWR
